- Certificate in Business from Smith School of Business

Skills

- Fast on-the-job learner who works hard and plays hard with experience self-teaching new skills
- Attentive to detail, extroverted and quick thinking

Experience

Quality Assurance Intern | BioConnect, Toronto

Apr - Aug, 2018

- Created an upgrade tool to provide a seamless customer experience between software versions
- Worked alongside multiple departments as part Quality Assurance in development cycle ensuring that all our products were up to the company standard
- Helped implement automated software tests to free up company resources and have stronger confidence in our product

Technical Intern | BioConnect, Toronto

May - Aug, 2017

- Discovered inefficiencies in testing procedures and developed processes to further increase customer satisfaction
- Researched potential customers to create leads for sales team and analyzed industry trends to create a report for company strategy

UI Developer | Queen's University Hackathon (QHacks), Kingston

Feb. 2017

- Developed the UI and AI for a multiplayer tank battle game, collaborating with a team of 4 over 2 days
- Self-taught basic C# over 36 hours to use the Unity game engine for this project

Counsellor | Onondaga Camp, Minden

Summers 2014 - 2016

- Led windsurfing, archery, crossbow, golf, and waterskiing programs for over 300 campers aged 7-14, requiring a constant awareness and attention to detail
- Collaborated daily with 16 colleagues to plan camp-wide programs and above all ensure camper safety

Head of Photography | York Mills C.I. Yearbook, Toronto

Sep. 2015 – Jun. 2016

- Delivered a yearbook on time and under budget to over 1000 students by delegating photography, design, and editing tasks to a team of 30 students while managing time and budget constraints
- Personally shot over 1000 photos and edited 50 pages in Photoshop to explore my passion for photography

IT Manager | Sparq, a Junior Achievement Company, Toronto

Oct. 2013 – May 2014

- Managed the online presence of Sparq, a student-run company, reaching 1,000 individuals through a website and social media page that promoted our mission to "sparq a change" in the community
- Awarded "2014 Company of the Year" by Junior Achievement for over \$6,100 in sales and \$1,500 donated to charities in an 8-month period
